Young Couples Touring Caravans and Camping

We regret that we are unable to provide electric hook-up points for young couples.

As we are a family and couples only site and do not accept large parties or single sex groups of 3 or more.

Young Couples **£ 8.00 per person, per night**

Refundable Deposit/Good Behaviour Bond **£ 10.00 per person** (one off payment on arrival)

Please remember that this is primarily a “family” site. Unfortunately we have to charge a different rate, in order to account for extra night-time staff and management costs. However, we realise that the vast majority of you only want to have a good, law abiding, holiday like our other customers.

Please note that your pitch must be vacated by 11.00am.

If you wish to extend your stay after this time, between 11.00 am and 6.00 pm, the above rates will be charged at half rate.

“Why not leave your caravan with us for the season?”

We've found that once they have visited our Park, many customers choose to leave their caravan here all season, between March and October, saving the hassle and expense of towing their caravan every time they wish to have a short break.

With a Seasonal Pitch you have the freedom to holiday as often as you like for as long as you like. Just come and go as the mood takes you during the holiday season. In addition, if you wish to take your tourer off for a holiday elsewhere, your seasonal pitch is guaranteed to be available on your return.

At the end of the Season, if you do not want the stress of taking your caravan home or you do not have the space, we offer open air, hard standing caravan storage.

Please note: Caravans are parked at owners' risk. You are required to ensure that your caravan is adequately insured and protected.

Rates for Seasonal Tourers with guaranteed plot.
