THE FUN COAST

Conveniently situated 3 miles north of Skegness, just off the A52, the park is 400 yards from Butlins and just 1 mile from the exciting new complex at Fantasy Island.

For a more leisurely pace, then the clean award winning beaches of Skegness are a mere 10 minutes walk away with a subway under the A52 for your safety. The tranquil Lincolnshire Wolds can be seen from the park and the historic market towns of Alford (famous for its weekly craft fairs) and Horncastle (the Antiques centre of Lincolnshire) are within 30 minutes drive.

The peace and quiet of the park offers you the best of both worlds - a relaxed holiday but close enough to be able to enjoy all of the attractions of the Skegness area.

SEASONAL TOURING PITCHES

We have a limited number of seasonal touring pitches available, allowing you to site your caravan from March to October. This saves you time and expense of taking your caravan home each weekend, making that spur of the moment decision to come to the coast easier, when time or weather tempts you. Please ask at the office for details, charges and availability.

STORAGE

If you do not want the stress of taking your touring caravan home in the winter on icy roads, why not ask for details of our winter storage scheme. Whilst you should still take all the necessary steps to protect your property, our staff will keep a watchful eye over your caravan in the wintering area.

ABOUT THE COMPANY

Skegness Water Leisure park is part of the Ellis Bros. (Contractors) Ltd Group of Companies, established in 1947.

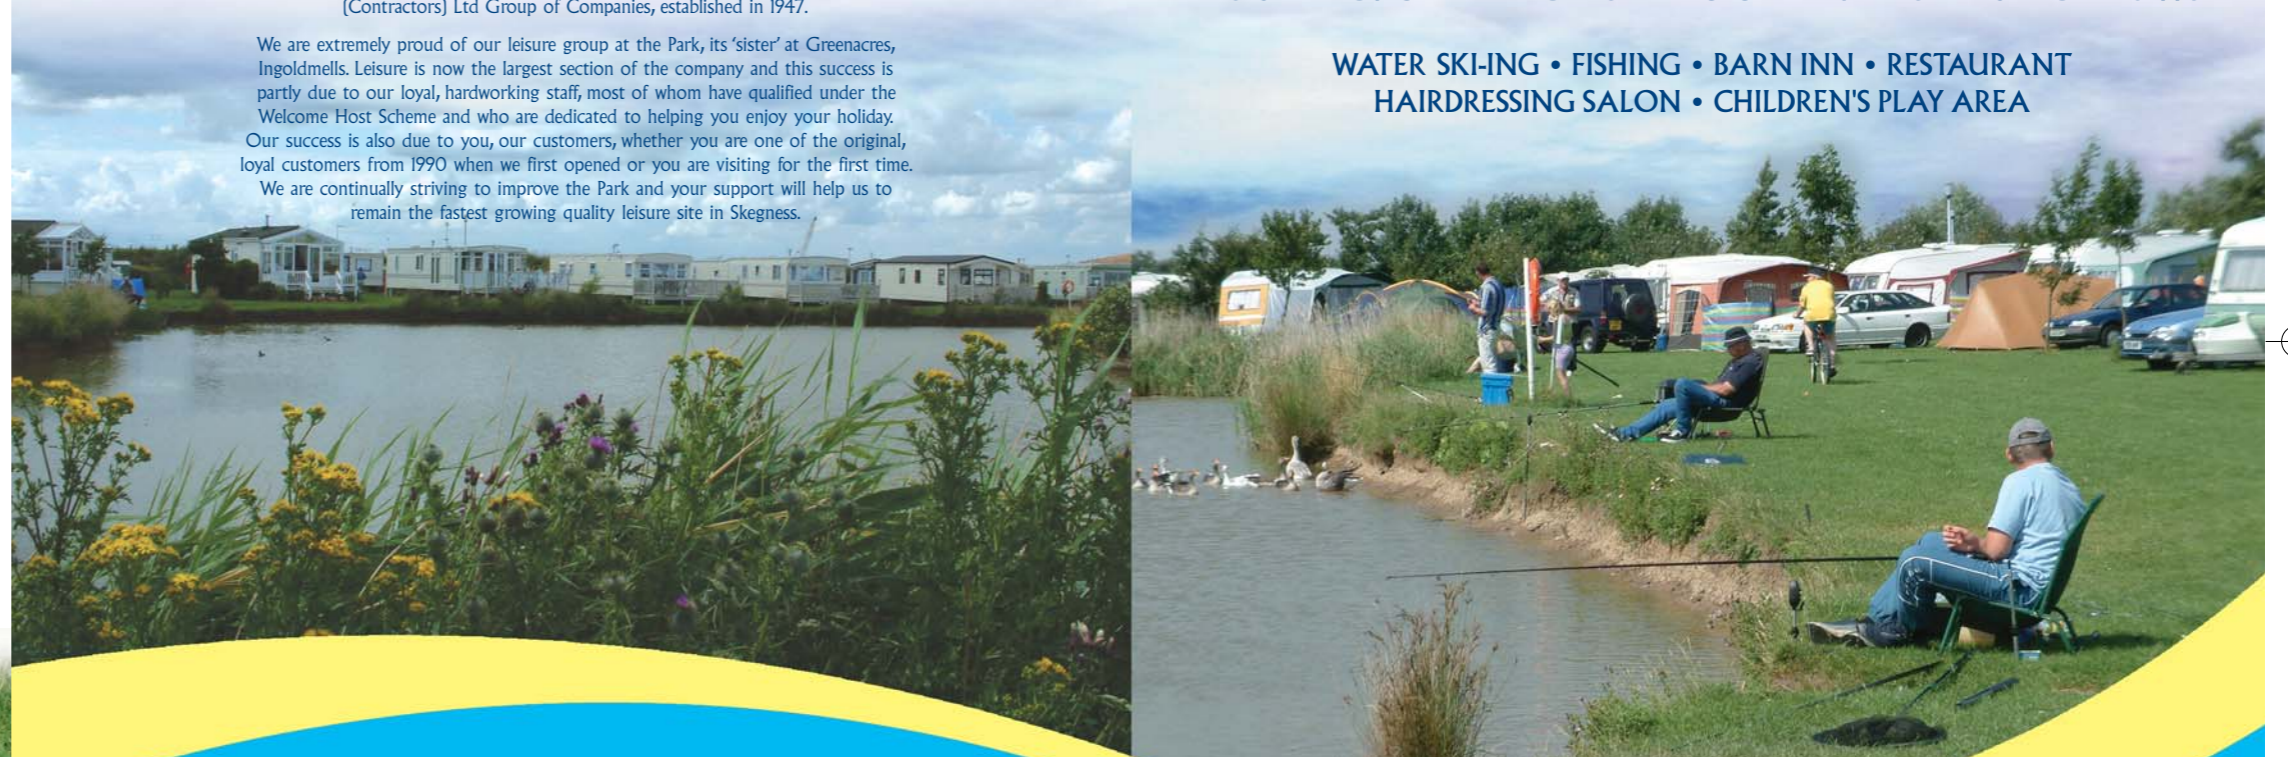

We are extremely proud of our leisure group at the Park, its 'sister' at Greenacres, Ingoldmells. Leisure is now the largest section of the company and this success is partly due to our loyal, hardworking staff, most of whom have qualified under the Welcome Host Scheme and who are dedicated to helping you enjoy your holiday. Our success is also due to you, our customers, whether you are one of the original, loyal customers from 1990 when we first opened or you are visiting for the first time. We are continually striving to improve the Park and your support will help us to remain the fastest growing quality leisure site in Skegness.
